Modern society is hypnotized by Socialism. It is prevented by Socialism from seeing the mortal danger it is in. And one of the greatest dangers of all is that you have lost all sense of danger, you cannot even see where it's coming from as it moves swiftly towards you. Dwell on the past and you will lose an eye; forget the past and you lose both eyes. Aleksandr Solzhenitsyn, Gulag Archipelago.

"If only it were all so simple! If only there were evil people somewhere insidiously committing evil deeds, and it were necessary only to separate them from the rest of us and destroy them. But the line dividing good and evil cuts through the heart of every human being. And who is willing to destroy a piece of his heart?"—Alexander Solzhenitsyn,

HERE IS SOMETHING TRUE: ONE DAY YOU WILL BE DEAD.

Our generation is becoming so busy trying to prove that women can do what men can do that women are losing their uniqueness.

Women weren't created to do everything a man can do. Women were created to do everything a man can't do.

If a person has ugly thoughts, it begins to show on the face. And when that person has ugly thoughts every day, every week, every year, the face gets uglier and uglier until it gets so ugly you can hardly bear to look at it.

A person who has good thoughts cannot ever be ugly. You can have a wonky nose and a crooked mouth and a double chin and stick-out teeth, but if you have good thoughts they will shine out of your face like sunbeams and you will always look lovely.
